

Room 13

TERM 1 NEWSLETTER

Welcome Back To School!

Room 13 has had an amazing start back to the year! I have enjoyed getting to know everyone and there are already some great friendships developing within the class.

Class Treaty!

We have been learning about what a treaty is and what this would look like within the classroom. Room 13 have put all our hands in to agree on a set of classroom expectations.

Water painting

We spent some time outside practicing writing our name and drawing pictures with a paint brush and water. Room 13 enjoyed their time in the sunshine!

Contact me!
