## STUDENT LEADERSHIP ACADEMY UPDATES

At Lincoln Heights School our student Leadership Academy is a group of selected students actively involved in four areas across the school: Cultural, Sports, PB4L and Academic, doing great work to engage our students.

The Academic Group of the Leadership Academy have been busy creating new certificates for teachers to use to celebrate student learning. Certificates will be given to students who are demonstrating REACH and making improvements in their learning!

## OUR STUDENTS' LEARNING AND SCHOOL CELEBRATIONS

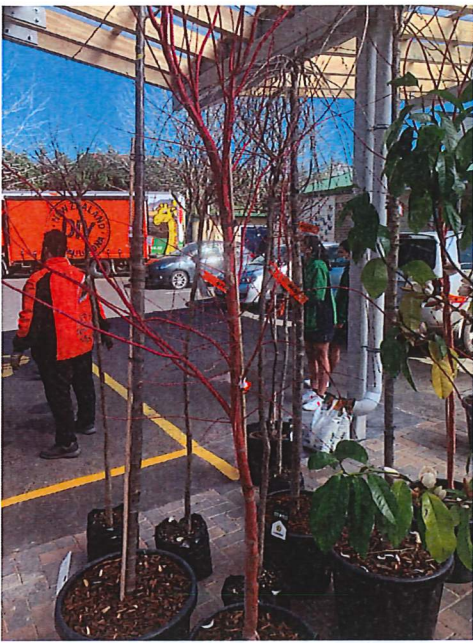

Rm 25 have been honing their horticultural skills under the guidance of Gordon.

Thank you to Mr Tuck for donating plants that our children can nurture for their future.

## School improvements

When you are next at school have a look at the amazing plantings and new pots we have. We are looking to create more shade areas and splashes of colour. We hope you get a chance to come up and enjoy our school environment. Please talk to your children about the importance of looking after not just our school environment, but also their local community. Massey is an amazing place to live, work and go to school and we are an awesome community.

### Massey High School Project

An ex Lincoln Heights student, Destiny Mongpraneet, chose her old primary school to complete her community project. Destiny is now in Year 13 at Massey High School and she donated 14 native plants to the school and came along to support with the planting. Room 25 were there to help and all the plants were planted in the rain!

## Room 8 Gymnastics

Lincoln Heights students are doing gymnastics for PE.

Children are building confidence and practising balancing, swinging, and moving!

These photos are from the amazing room 8!
