

# LINCOLN HEIGHTS SCHOOL

## OUT OF ZONE ENROLMENTS 2025

Enrolment at Lincoln Heights School is governed by an enrolment scheme being introduced in Term One 2025, which consists of a home zone and procedures for enrolling out of zone students.

Students living in the home zone are entitled to enrol.

For those living outside our zone, even those who have children already attending Lincoln Heights School, application must be made as an out-of-zone enrolment (including children who turn 5 in 2025).

Application forms for all students, in zone or out of zone, are available from the school office and our website. Out-of-zone enrolment application forms are available from the office, or can be downloaded from the school website [www.lincolnheights.school.nz](http://www.lincolnheights.school.nz)

The deadline for receipt of applications for out-of-zone places is 15 October 2024. The ballot, if needed, will be held on 23 October 2024.

The Board has determined that there will be up to 50 spaces available for out of zone enrolments in 2025.

If not all places are filled in the October 2024 ballot, applications and ballot will be held throughout the year.

Applications for out-of-zone students will be processed in priority order 1-6 and details of priority order are contained in the enrolment scheme information, located on the school website [www.lincolnheights.school.nz](http://www.lincolnheights.school.nz) and also available from the school office.

**NB: If the number of out-of-zone applications exceeds the number of places available, then students will be selected by ballot.**
