TERM 1

Check out what we have been doing!

Room 12 Waka!

During Week 1, Room 12 has been having lots of discussions about LHS expectations and values, what they mean to us and how we can use them in our classroom. After rich discussions, we developed our own class rules and goals. We came to the conclusion that we need to work together to make Room 12 great. So we agree, if we 'paddle' together we can venture anywhere!
